## 2017 TABLE TOP RATES

There are several table top displays available for each Chapter Meeting, allowing you to showcase your venue, product and/or service to each of our guests.

Each exhibitor is provided a draped six foot table to place brochures and any other collateral to promote your business. Full booth set ups are unfortunately not available due to most venue space constraints.

Reservations must be accompanied by a credit card or check payment.

Table top displays are given on a first come, first served basis.
